On March 28, 2020, the State of Minnesota passed legislation that provides an extension for Minnesotans whose driver's licenses or ID cards expire during the peacetime emergency. The law extends the expiration date for any valid driver's license, instruction permit, provisional license, operator's permit, limited license, and farm work license that would expire during the peacetime emergency. The expiration dates for these licenses will be extended for two months after the month the peacetime emergency ends. The peacetime emergency is set to expire June 13, 2020. Therefore, the expiration date will now be August 13, 2020 unless otherwise extended by Executive Order.
