RE: Public Review and Comments on the Draft Wannigan Regional Park Master Plan

For the last two years the Wannigan Park Master Plan Committee have been meeting to explore the development of a regional park north of Frazee. The draft plan enclosed has reached the stage where its important for the public to review and comment. Please take a moment to review the plan and comment.

Public review of the master plan will be conducted from November 23-December 6. Your comments will help further inform the master plan prior to bringing it forward to the City of Frazee and County Board for their consideration/adoption. Once the plan has been adopted it will be submitted to the Greater Minnesota Regional Parks and Trails Commission (GMRPTC) for their review and funding consideration.

Thank you for taking the time to review and comment on the Draft Wannigan Regional Park Master Plan.
