## Properties that May Qualify

Properties may qualify for classification 4c(10) if the conditions described in the declaration are met. A restaurant and up to 3 acres of land situated on a lake may qualify provided the business is either:

- Not devoted to commercial purposes for more than 250 consecutive days; or
- 60 percent of its annual gross receipts (including alcohol sales but excluding gift shop sales) must be from business conducted during four consecutive months.

The qualifications must be met based on the previous year's sales information.

## How to Apply

Complete the declaration on the front of this form and submit it to your county assessor by February 1 to be eligible for the same assessment year (i.e. apply by February 1, 2009 to be eligible for the 2009 assessment year, taxes payable 2010). For the 2008 assessment year only, the deadline has been extended to September 1, 2008.

## Required Documentation

Your assessor may ask you for information including, but not limited to, sales information and receipts in order to determine your eligibility and the accuracy of your declaration.

You do not have to provide this information. However refusal to do so could disqualify you from qualifying for the 4c(10) classification.

## Penalties

Making false statements on this application is against the law. Minnesota Statutes, Section 609.41 states that anyone giving false information in order to avoid or reduce their tax obligations is subject to a fine of up to \$3,000 and/or up to one year in prison.

## Use of Information

The information on this form is required by Minnesota Statutes, section 273.13 to properly identify you and determine if you qualify for this property tax classification. Your Social Security number is required. If you do not provide the required information, your application may be delayed or denied. Your County Assessor may also ask for additional verification of qualifications. Your Social Security number is considered private data.
