FOR IMMEDIATE RELEASE: March 18, 2020

### BECKER COUNTY

At this time, the Becker County Government Center will be open for business under its normal hours of operations. We are encouraging people to contact our offices directly to schedule appointments vs. traditional walk in service. We do this to limit wait times and meet the guidance given by the Minnesota Department of Health relating to social distancing.

Please call ahead to 218-846-7200 and ask for the appropriate department to determine if the service you need should be provided in person or if an alternative exists. Gatherings greater than 10 people or transactions that cannot meet social distancing requirements, will not be allowed.

Other options such as mail, phone, drop-box and online are available for many County offered services. Staff is prepared to provide direction and offer assistance to help accommodate your needs.

We are asking the public to please be patient as some services may take longer than normal and in-person contact may not be possible. Please visit our COVID – 19 websites for future information:
